Kroll Background Screening Group and HCPro: Providing Comprehensive Services to Clients

Recommended Policies and Procedures

Physician Screening Services provides clients with a customizable template of recommended policies and procedures for conducting background investigations. This service ordinarily can cost up to \$5,000. The common goal of the Kroll Background Screening Group and HCPro is to assist organizations and key management in creating well thought-out policies and procedures that provides:

- A uniform approach to privileging and decision making
- Legal compliance with state or federal laws
- Standards that meet the guidelines of the Equal Employment Opportunity Commission regarding the use of specific information
- Reduction in the risk of workplace violence
- An excellent way to avoid negligent appointment, hiring, promotion, retention, and supervision
- Notice to all applicants/employees
- Appointment/hiring criteria for implementation
- A matrix of barrier crimes that would prohibit the appointment or privileging of a physician or AHP

Documents

You will receive the following documents or services (included with purchase of **Physician Screening Services**):

- Sample policy and procedures (with customizable options) on what medical staff services professionals should do with background investigation results
- List of recommended barrier crimes that would prevent hiring, appointment, or reappointment
- Clear and concise instructions/procedures via the Internet

- A proprietary compliance manual on state and federal regulations (available on the Web)
- Industry-relevant research and resource guide
- Consultation with experts on policies and procedures

Quality Assurance

Physician Screening Services offers an industry-leading quality assurance program that promises our clients the highest standards of accuracy and efficiency. The quality assurance program—managed by Kroll Background Screening Group’s legal department—ensures that all investigation reports comply with the Fair Credit Reporting Act, 15 U.S.C. § 1681 et seq. (FCRA) and other regulatory requirements.

Errors and Omissions Insurance Policy

Physician Screening Services is committed to the integrity and accuracy of its reports. Our investigation services are unique in that we indemnify our clients. Investigations are backed by one of the best insurance policies available for errors and omission coverage in the unlikely event of mistakes on our part.
